

# SPACE TO GROW

## WORKSHOP DETAILS 2024

### OUR FLOWER CROWN WORKSHOP

Full setup of the workshop, flowers, lighting, as well as tidy away and clean up afterwards.  
The workshop is between **1.5 - 2 hours** long, plenty of time to create and design without feeling rushed.  
We guarantee that everyone will be crowned with flowers at the end.

### HOW MUCH?

The workshop costs **€45pp**. This price includes the set-up, all needed equipments, fresh flowers, majority of which are roses, as well as workshop tuition.

### TIME OF DAY

Please choose either morning 11am-2pm, or afternoon 4pm-6pm or, let us know what you had in mind.

### LOCATION

We travel all over Ireland. As we are Sligo based, there is a one-off **travel charge** of **€120**.  
As you are booking the Mobile Workshop, you must provide us with a **space/venue for the event**, anywhere will be just perfect.

### HOW MANY PEOPLE?

To run the workshop there is a minimum of 12 people, no maximum, so everyone can be involved. With a large group, if the final booking is over 20 people, we offer a **complimentary bride-to-be** offer.

### PAYMENT

We require a 25% non-refundable **deposit** to hold your proposed date making the date yours, as soon as possible, which can be paid through our booking system at spacetogrow.ie. This is 25% of your initial enquiry number of people attending. The actual final number of attendees, as well as payment of remaining Full Balance is due **four weeks prior** to the event. This is done by EFT... and we will send you an invoice/receipt for your records. This will be minus deposit amount already paid.

### DIY FLOWER CROWN WORKSHOP KITS (€35 per kit)

Above times not suit your plans? Simple, order our DIY Kits, one for each person. This DIY kit includes all the materials needed to create your own Floral Crowns. Fully adjustable sizing, + all equipment supplied including:

- How-to Instructions booklet with images
- Taped wire with pre-formed loops
- Soft ribbon for fastening
- Hand picked semi-dried florals with soft pampas, fragrant eucalyptus + fresh roses

### CODE OF ETHICS

Working hard, making sustainability common practice in this small Irish business. Our workshops are guaranteed zero waste + we run a plastic free event through all equipment, products and packaging. Throughout our business practises we focus on the greater good of not just ourselves, but society and the planet as a whole.

Once the final numbers, and payment have been submitted, we cannot refund for a last minute drop in numbers.
